

The image shows the interior of a restaurant named Stella. A large, curved wall with a dramatic, veined marble pattern in shades of grey and brown dominates the left side of the frame. The ceiling is white with a grid of thin, gold-colored metal rods. Numerous brown glass bottles of various shapes and sizes are suspended from this grid, creating a modern, industrial-style chandelier. The floor is made of dark wood planks. In the foreground and middle ground, there are several dark wooden tables set for dining. Each table is accompanied by a long, plush teal velvet sofa. The tables are set with white plates, folded grey napkins, silverware, and several glasses. Some of the glasses have the word 'Stella' printed on them. In the background, there are more tables and chairs, and a large window that looks out onto a city street. A sign with the word 'TEMPERA' is visible through the window on the right.
